

200 Hour International Yoga Teacher Training Program Fall/Winter 2018-2019 Information Packet

Our 200 Hour International Yoga Teacher Training Program is designed for those who want to deepen their yoga knowledge and practice, strengthen and deepen their spiritual connection, and equip teachers interested in teaching Inspirational or Christ-Centered yoga classes.

Our Program is Unique

- 1) **We offer International training.** No matter where you are in the World, you can participate via the Web for your theoretical and philosophy hours. Then, choose from one of three locations for your in-person practical training in the format of two Yoga Camps.
- 2) **We provide individual mentoring throughout training.** You will receive private individual one-on-one mentoring throughout your training. Your mentor will guide you through the development of your yoga teacher practice, leadership skills, and personal growth. This improves your learning and retention, maintains accountability, and provides on-going support and education throughout your training experience.
- 3) **We keep our class sizes small.** Because we provide individual mentoring throughout our training program, we are committed to keeping the class size to a maximum of 12 teachers in training. This helps foster relationship development to build a safe and supportive community, and ensures that you get the most out of your training experience.
- 4) **We offer two training tracts - Inspirational or Christ-Centered.** If you want to lead Inspirational classes in a studio, gym, fitness center, community center, or school, then the Inspirational tract might be the right fit for you. If you would like to teach yoga from a Christ-Centered perspective and teach at a church or in a faith-based environment, then the Christ-Centered tract might interest you. We can help you select which training tract best fits your spiritual orientation, needs and interests.
- 5) **We place equal emphasis on yoga, spiritual study, and leadership development.** You will learn and develop confidence in each of these areas so that you feel fully prepared to teach when you graduate.
- 6) **We are one of the only yoga schools offering 200 hour Christ-Centered yoga teacher training that is recognized by the Yoga Alliance.** We are a Registered Yoga School (RYS) with the Yoga Alliance. As such, you may register with the Yoga Alliance as an RYT 200 upon graduation, regardless of which training tract you choose.

Our training consists of five modules in total, each focusing on different elements of yoga teacher development. Each module includes roughly 40 hours of instruction, personal practice and mandatory homework. Successful completion of all five modules would equip you to teach Inspirational or Christ-Centered yoga classes and/or lead a yoga program or ministry.

Our program is an international program, available to anyone, anywhere in the world. Modules 1, 3, and 4 are done via Zoom (webinar) and can be done live or by recording if needed. Modules 2 and 5 are in-person Yoga Camps offered through each of our three Training Divisions so you can go where is most convenient for you. See below for detailed information about each module.

- Southwest Training Division - Yoga Camps offered in the Phoenix metro area
- Midwest Training Division - Yoga Camps offered in the Detroit metro area
- Canadian Training Division - Yoga Camps offered in Saskatoon, SK (Canada)

Our program is geared toward the following:

- 1) Students wishing to dive deeper into their Yoga and spiritual practice
- 2) New teachers wanting to teach Inspirational yoga classes may acquire a Certified Yoga Teacher (CYT) designation
- 3) New teachers wanting to teach Christ-Centered yoga classes may acquire a Christ-Centered Yoga Teacher (CCYT) designation
- 4) Existing 200 Hour teachers may add the CCYT designation (at a reduced rate)
- 5) Existing 200 Hour Christ-Centered Yoga Teachers who acquired their training from other schools may go through our training to obtain an RYT 200 through the Yoga Alliance (at a reduced rate)

We are a Registered Yoga School (RYS) with the Yoga Alliance. As such, all of our CYTs and CCYTs may register with the Yoga Alliance as an RYT 200 upon graduation, if desired. Membership fees/dues are paid directly to the Yoga Alliance.
